

CC 11  
Cultivo una rosa blanca,  
junto a un verso de Martí.  
La rosa me da su olor,  
el verso me canta así:

Y para aquel que me arranca  
la rosa que crece aquí  
en mi corazón, cultivo  
una rosa blanca  
y un verso que dice así:

Cardo ni oruga cultivo,  
mi tierra es abierta y franca;  
en julio como en enero  
defiendo mi tierra, y  
cultivo una rosa blanca.

THE FIRST PART

It is the first part of the book, and it is the most interesting part. It is the part that is the most interesting to read, and it is the part that is the most interesting to read.

THE SECOND PART

It is the second part of the book, and it is the most interesting part. It is the part that is the most interesting to read, and it is the part that is the most interesting to read.

THE THIRD PART

It is the third part of the book, and it is the most interesting part. It is the part that is the most interesting to read, and it is the part that is the most interesting to read.
