ESTA LLOVIENDO DE MEMORIA.

ESTA es una carta manchada con lágrimas, sus huellas lagrimales están aquí, calcadas. Esta es una habitación de cuatro paredes, menos por una que da a la memoria: pasan fechas, sucesos se suceden, sopla el ábreco y llega un pliego con lágrimas, arrugado.

← Duele la luz como en un lienzo de Rembrandt.

← Campos de tierra, que llaman, también, campos góticos. Iba contigo al pie de los álamos, moríamos un poco, echábamos los brazos a volar. (Temblaban tus muslos, se escurrian rápidos, tal esos peces azules que ceden un rastro de plata en la ingle del mar...) Llorábamos y reímos a la misma vez, otras veces llorábamos y nos besábamos a la misma boca. Caídos en tierra, el cielo azul crujía cuando le poníamos la vista encima. Se te acercaban las pupilas, saltaban hechas pedazos.

← Esta es una historia muy corriente, pura, cristalina.

← ¡Alamos que os estáis mirando en ella, testificad que esta carta, cada vez que la mecen en mi memoria, gotea lágrimas, alamito verde en forma de pliego de mujer mojándola!...!
